### **Online Pre-Surgical History Instructions**

Welcome to the Surgery Center of Lancaster. We're very pleased that you and your physician have chosen us to care for you.

To start the pre-surgical assessment process, Surgery Center of Lancaster requests that you fill out your medical history online with ***One Medical Passport***.

We recommend that you enter your medical history online as soon as your surgery has been scheduled. Once you do this, our preoperative assessment nurse will be able to access the information you entered online. This information will assist the nurse in organizing and documenting your complete medical history to prepare for your surgery.

**To begin** your online Preoperative Surgical Assessment,

- 1) Go to our website: **www.scoflancaster.com**
- 2) Select "Before Surgery" on the home page
- 3) Scroll down and click the blue "Preoperative Surgical Assessment" bar
- 4) Check the box to accept the Terms of Use and click "Register" OR
  - If you have **previously created** a *One Medical Passport* account please click the "already registered? Sign in tab" and update your account for each separate date of surgery.
- 5) Complete the registration and medical history screens, click Finish to submit your Medical Passport to the medical facility

Be sure to have the following information available before starting your *Medical Passport*:

- The names, addresses and phone numbers of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have ever had and their approximate dates.

**Note:** If you are **not able to complete your history online**, please anticipate a call from our Pre-anesthesia nurse within 1 week of your surgery date to complete your health history. You will still need to have the above information available when you call. Please allow 20-30 minutes for this call.
